

MY PRAYER FOR THE WORLD

(formerly “My Prayer for My Country”) inspired by the words of Dr. Ernest Holmes

Believing in the Divine destiny of the world and in the preservation of liberty, security, and self-expression, I offer this, my prayer for the world:

I know that Divine Intelligence governs the destiny of The World, directing the thought and the activity of all who guide its affairs.

I know that success, prosperity, and happiness are the gifts of freedom, and are the Divine heritage of everyone in the world.

I know that success, prosperity, and happiness are now operating in the affairs of every individual in the world.

I know that Divine guidance enlightens the collective mind of the people of the world causing it to know that economic security may come to all without the loss of either personal freedom or individual self-expression.

I know that no one can believe or be led to believe that freedom must be surrendered in order to ensure economic security for all.

The All-Knowing Mind of God contains the answer to every problem which confronts the world. I know that every leader in the world is now directed to this All-Knowing Mind and has the knowledge of a complete solution to every problem, and each is compelled to act upon this knowledge to the end, that abundance, security, and peace shall come to all.

And I know that this spiritual democracy shall endure, guaranteeing to everyone in the world personal liberty, happiness, and self-expression.

And so it is.

Amen.
